Subject: Re: Food Recovery Challenge - Scrape Your Plate

Thx Coby. I really appreciated the tour. What you all have done is really outstanding. A future CSAC presentation would be great. Keep up the good work and please always feel free to call or email me any time I can be of assistance to you in anyway.

Best regards,
Michael Stoker

Hello Mr. Stoker,
Thank you for your visit yesterday and for the recognition of our Scrape Your Plate Program. We appreciate you taking the time to see firsthand how our program is implemented. As we discussed yesterday, the more we educate and encourage alternatives to managing organic waste, the better our communities and our environment will be.

We appreciate your suggestion to present the program at a future CSAC meeting and will follow up with our CSAC representatives about future opportunities. It would be a great venue to communicate the success of the program and encourage other jurisdictions to implement something similar.

Below is a Dropbox link with photos that our photographer took of your visit with us yesterday. We look forward to continued partnership opportunities between our two agencies.
